STUDENT EVALUATION OF FACULTY

Attending: _____

Today's Date: _____

Rotation: _____

Directions: The statements below reflect key competencies for inpatient/outpatient faculty. These competencies are related to helping acquire some of the core required ACGME competencies: Patient Care (PC), Medical Knowledge (MK), Practice-Based Learning and Improvement (PBLI), Interpersonal and Communication Skills (ICM), Professionalism (P), and Systems-Based Practice (SBP).

For each statement, circle the number that best reflects the extent to which you agree or disagree with how accurately that statement describes the above faculty member. The letters in parentheses next to each statement indicate the core ACGME competency to which the statement is related.

Consider your experience with this faculty member on inpatient and outpatient services and in other situation in which you might interact with him/her.

On the inpatient and outpatient services, this faculty member....

1. Model safe, effective and complete patient care. (PC)
2. Helps student acquire new knowledge and skills. (MK)
3. Displays current evidence-based knowledge of patient care. (MK)
4. Demonstrates caring and respectful behaviors when interaction with patients, families, students and staff. (ICS)
5. Helps team arrange the best care for the patient. (SBP)
6. Provides constructive criticism to students when required. (ICS)
7. Facilitates timely completion of work by the team. (P)
8. Communicates effectively with students and other staff. (ICS)
9. Models self-assessment and self-directed learning. (PBLI)
10. Role models to be a competent physician. (P)
